G. No. 1259
35-36. Encl. 3

Dear Sir,

I beg to submit herewith for the information of Government the report in original of the Vice President of the Government Ayurvedic and Unani College Committee, Mysore, on the strike of the students in the Unani section of the College. The report was received by me last night.

2. I came to know of the strike on my arrival here on last Monday evening. I made enquiries into the matter when I visited the College on Tuesday afternoon. The action of the students appears to have been as sudden as it was unreasonable. A notice has been put up warning the students that if they do not return to their classes, disciplinary action will be taken against them. From ~~the~~ confidential enquiries made, I understand that the students have been induced to strike by certain members of the staff who are discontented. The occurrence of the strike on the very day that Hakim Mir Ghouse was placed under suspension for insubordinate behaviour clearly suggests that there must be some connection between that incident and the strike. Further developments are being watched and I shall let you know the progress of events from time to time.

3. I may add that the attitude of the students - deserves to be very sternly discountenanced. As far as I can see, they had no serious cause of complaint against the management of the institution. They seem to have undertaken this action with a view to support the cause of certain discontented subordinates and to bully the management into their way of thinking.

4. The management of the institution itself appears to be unsatisfactory. There is considerable misunderstanding between the Principal on the one hand and the two Superintendents in charge of the two sections on the other. I am looking into

P.T.O.

into the matter carefully and shall report to Government separately the action that has got to be taken to terminate this unsatisfactory state of affairs.

5. I request that the enclosures to this letter may kindly be returned after perusal.

Yours sincerely,

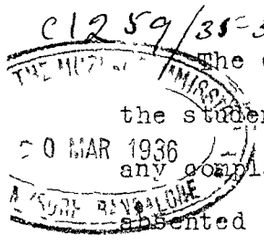
Camp, Mysore.

I have the honour to submit herewith for favour of your orders a report from the Principal, Govt. Ayurvedic and Unani College, re: the absence of the students of the Unani Section from the College without permission from the 15th instant.



The cause of their absence is not definitely known. None of the students has so far come to see the Principal or me to make any complaint or representation. The date from which they have absented themselves coincides with the date on which Hakim Mr. Mir Ghouse was placed under suspension (please vide this Office report No 195 date 18/3/36). But it is not possible to say if these events have any connection with each other. Of the 22 students of the Unani Section, all of whom have stayed away, 14 are in receipt of scholarship of Rs 12/- each and 5 are in receipt of scholarship at Rs 15/- each while 3 are non-stipendiaries.

On the Principal's reporting this to me on the 14th., I suggested that a notice might be put up warning the students of disciplinary action if they failed to attend College from a specified date. The Notice posted by the Principal in this regard is also submitted herewith for information.

I have the honour to be,
Sir,

GENL & REV. 28 MAR 1936

Dear Sir,

In continuation of my D.O. dated 20th instant re. the strike of the students of the Unani Section of the Government Ayurvedic and Unani College, I send herein enclosed a copy of a further communication dated the 23rd instant received from Mr. M. A. Srinivasan and my reply thereto. Further developments, if any, will be watched and a report made to Government in due course.

2. In this connection, I wish to draw your reference to para 4 of my letter referred to above about the unsatisfactory management of the College affairs by the present Principal, Mr. A. Sitarama Sastry. It seems to me that he is quite incapable of managing such a big and important institution as the College. The revised arrangement sanctioned in G.O.No.245-47/Muz.234-32-4 dated 27th August 1934 under which the supervision over the Ayurvedic and Unani Hospitals and over the work of the Superintendents as well have been delegated to the Principal is not working satisfactorily. The Principal has been unnecessarily interfering with the work of the Hospitals and has even gone to the length of dictating to the Superintendents as to what medicines should or should not be used. This has naturally created a good deal of resentment and the Principal and the Superintendents are always at cross purposes. It does not seem possible to bring about harmony and improve the tone and morale of the institution until the Principal and the Superintendent of the Unani Section are replaced by fresh men. Besides, Mr. Sitarama Sastry is not capable of enforcing discipline and of commanding the respect of his colleagues and the students of the College. He is still on probation and there will be no difficulty in reverting him to the Medical Department and getting a suitable substitute, as Mr. Sitarama Sastry has been given a lien in the Medical Department on the post of Medical Probationer provisionally permanent in pursuance of G.O.No.204-6 Muz.299-54-2 dated 16th August 1935.

The work of Mr. H. R. Khaleel, Superintendent of the Unani Hospital has also not been found satisfactory and he is feeling discontented since Government declined to increase his pay (vide Chief Secretary's

letter No.1331/Muz.206-34-2 dated 13th April 1935). He has since applied for three months' privilege leave with permission to revert to the Medical Department after the expiry of the leave. The efficiency of the institution is sure to suffer if he is continued there any longer.

In view of these considerations, I have placed myself in communication with the Senior Surgeon and have requested him to select two competent men with requisite qualification from the Medical Department. A further communication in the matter will be made in due course.

It appears to me that a more representative Committee consisting of persons having a genuine interest in the development of the Ayurvedic and Unani systems of Medicine and also the capacity to effectively supervise the working of the institution, is necessary. If Government approve of the suggestion, I shall consider the matter further and submit definite proposals on this behalf after further necessary consultation.

Yours sincerely,

To

M. Venkatesa Iyengar, Esq., M.A.,
Secretary to the Government of Mysore,
General Department.

D.O. No.C.1259/35-36 dated 25-3-36 from the Puzrai Commissioner in Mysore, to the Vice President, Ayurvedic and Unani College Committee, Mysore

---

I return herewith the papers received with your D.O. letter No.43 dated 23rd March 1936.

The action that you have taken is quite suitable.

It is not clear from the papers whether the Ayurvedic and Unani Colleg Committee has been apprised of the facts of the case.

If the Committee has not been apprised, I think it is desirable that an urgent meeting should be held and the facts placed before them. Any suggestions that they may wish to make, should receive careful consideration.

For Puzrai Commissioner.

CONFIDENTIAL & URGENT.

Letter No.43 dated 23-3-36 from Dr. M. A. Sreenivasan, Vice Presiden Ayurvedic and Unani College, Mysore, to the Muzrai Commissioner in Mysore

---

In continuation of this office No.197 dated 18th March 1936, I ~~forwa~~ forward herewith two reports of the Principal dated 21st and 22nd inst. Both in the joint letter and in the individual letters--which are practically identical in substance--the students state that they stayed away from class in order "to vindicate their grievances to the higher authorities", and that they sincerely express regret for their hasty action since they "have represented their difficulties". No such representation has been made to the Principal, or to me so far.

I recall that when you were here last, you desired that with a view to make the students realise that their conduct was a serious breach of College discipline, which would not be tolerated by the authorities, on pain of dismissal, an unconditional apology for their conduct and an undertaking not to repeat such conduct. I am afraid that the terms and language of their letters can scarcely be regarded as an unconditional apology. In the circumstances, I have submitted the case for favour of your orders.

The students have been informed that they cannot be re-admitted pending orders of the higher authorities.

My own view is that in order to restore among the students a sense of discipline and respect for the College authorities-- which they seem seriously to lack--a notice might be put up that each student should submit within a specified time and date a letter to the Principal in the marginally noted form, failing which he will be summarily dismissed. I think such a step would have a salutary effect in future on the boys whose past record in the matter of discipline has not been very satisfactory.

Sir,

I beg unconditionally to apologise for my conduct in staying away from College from the 13th instant, without your permission.

I shall not allow myself to repeat such conduct again.

SIR,

Strike of the students in the Unani Section of the Government Ayurvedic and Unani College, Mysore.

In continuation of my letter No.C.1259 dated 19th March 1936 on the above subject, I have the honor to state that as I received no further information in the matter till now, I telephoned to the Vice President of the Committee of the Ayurvedic and Unani College, Mysore, and ascertained from him to-day that the students were permitted to join their classes on the 29th March 1936 after they gave an unconditional apology for their misconduct. I have not yet received any formal report from the Vice President.

D.O.No. 1297 of 35-36

Mus 250-35-9

27 APR 1936

Dear Sir,

In continuation of my D.O. dated the 27th March 1936 regarding the affairs of the Ayurvedic and Unani College at Mysore, I write to inform you that Dr. Subba Rao in his reply dated the 1st April 1936 suggested that a further trial of six months may be given to Mr. Seetharama Sastry, his attention being exclusively confined to the teaching of the Allopathic subjects without interfering with the management of the Ayurvedic and Unani Hospitals, and that even after he continued to be unsatisfactory, the question of permanently transferring him from the College may be considered. From subsequent events that happened in the College and other information that came to my knowledge, I was convinced that Mr. Seetharama Sastry had taken up sides and was himself the centre of the past agitation in the Unani Section. His relations with the staff of the Ayurvedic Section were no less unsatisfactory. I therefore intimated to the Senior Surgeon that it was undesirable to continue Mr. Seetharama Sastry any longer as Principal and requested him to recommend a suitable officer for being appointed as the head of the institution. Dr. Subba Rao has written to me that he has recommended to Government to revert Mr. Seetharama Sastry and to appoint Mr. M. Hiriyannaiya in his place. By training and temperament Mr. Seetharama Sastry is quite unsuited to manage the College and its numerous concerns and he does not command the respect or co-operation of his colleagues with whom he has fallen out completely. Such a state of affairs cannot but have its repercussions on the institution as a whole and affect its efficient working to a considerable extent. I have no idea of Mr. Hiriyannaiya's suitability for the post. I hear that he got into some trouble at Hassan recently. If he is suitable the recommendation of the Senior Surgeon may be approved and Mr. Seetharama Sastry reverted to the Medical Department.

2. If Mr. Hiriyannaiya is not suitable, the best course is for us to advertise for a man. In either case Mr. Seetharama Sastry may be sent away immediately. Mr. Y. Lakshminarasimha Sastry may remain in charge of the Principal's duty till a permanent Principal is posted. If the ------

selection is to be made by calling for applications, the pay of the ~~new incumbent's~~ post may be fixed at the sanctioned scale of Rs 200-20-360 corresponding to I Class Assistant Surgeons and the period of the appointment fixed for a term of 5 years to begin with.

3. In the interest of this premier institution it is equally necessary that Mr. Khaleel should also be sent away from the institution. The Senior Surgeon has suggested that he may be given three months' leave applied for by him and reverted to the Medical Department on the expiry of the leave and that another Sub Assistant Surgeon will be posted. This may also be approved.

4. In this connection, I wish to state that the revised arrangement ordered in G.O. No.245-47/Muz.234-33-4 dated 27th August 1934 is not working satisfactory, as too much power to the Principal to interfere in the working of the Ayurvedic and Unani Hospitals has been conceded thereby. There can, however, be no objection to the Principal exercising administrative and general control over the working of the institution as a whole but his interference in the internal working of the Dispensaries, both Out-patient and In-patient, seems to be uncalled for. I shall consider the matter further and send up my proposals for a decentralisation of powers between the sections of various heads separately. I request that early orders of Government on the above proposals may kindly be obtained.

put I

Referring to para 3 of my D.O. letter dated 27th April 1936 re. the above, I have the honor to state that at the suggestion of the Senior Surgeon Mr. Khaleel has been given three months' privilege leave applied for by him and the Vice President of the Committee has been requested to relieve him of his duties in the College, temporary arrangements being made for current work of the Hospital as the College remains closed till 30th June 1936 on account of summer vacation, pending the posting of a Sub Assistant Surgeon from the Medical Department. The Senior Surgeon has also been requested to make a suitable selection and depute the incumbent to the College at an early date. I request that the action taken by me as above may kindly be approved.

Sir,

I have to thank you for the kind invitation for Radha for your kind and sympathetic consideration.

The President, Anjuman-e-Umrah College Committee and the Senior Superintendent were selected to select and recommend the present Superintendent of the Government Umrah Hospital from the eligible list to improve the Hospital which was in a state of confusion at the time. I am grateful for the suitable selection they made. Without prejudice and without exaggeration I can say that the Superintendent has proved himself worthy of kind selection and has made a sacrifice to take over this work. His selfless devotion to duty, enthusiasm and in the right earnestness the present Superintendent has spared no pains to effect all round improvements in the institution and raised the institution to a high standard. The increase of admissions of the patients to this hospital show the ever increasing popularity of the Institution.

The new additions he has made will ensure a bright future under the able management of the present Superintendent. It is rumoured that he is likely to

be reverted to the Medical Department in the near future.

On behalf of this Association I humbly request you to kindly extend your sympathy towards the progress of the Unani system of medicine and the improvement of the Unani Hospital which is the only one of its kind in the Mysore State and which has just begun to flourish and thus pass orders to retain the present Superintendent if he is about to be transferred to the Medical Department.

Respected Sir,

We, the members of the GOVERNMENT AYURVEDIC AND UNANI COLLEGE -- COMMITTEE, MYSORE, wish to respectfully submit the following representation to you in the interest of THE GOVERNMENT AYURVEDIC AND UNANI COLLEGE AND HOSPITALS, MYSORE, and solicit your most generous consideration and orders in the matter.

Whereas we have been observing several improvements in the Govt. Ayurvedic and Unani College and Hospitals, Mysore, effected in the interests of the students of the College and patients of the Hospitals by the present Principal, Mr. A.Sitharama Sastry who holds recognised Diplomas in the Indigenous System of Medicine and Allopathy which renders him to be a most suitable candidate for the post of the Principal, it is a -- painful surprise to learn that he is ordered to be transferred from the College and an Allopathic Doctor is posted as the Principal of this, the Ayurvedic and Unani Institution whose head in all propriety should naturally be, in its interest, a person with qualifications in the -- Indigenous Systems of Medicine primarily and in the Allopathic System also, if possible. As the present Principal is fully qualified for the place and as the improvements, he has effected within the few months he has been in, are healthy and conducive to progress of the Institution and as he is concientiously and satisfactorily working, he may be ordered to continue in the office. We also feel that you certainly agree with us in the matter of the propriety of having for the Principal's post one who is well versed in the Indigenous Systems of Medicine, as the Govt. Ayurvedic and Unani College and Hospitals, Mysore, is an Institution mainly devoted to advance the studies in the Indigenous Systems.

SIR,

We, the members of the Government Ayurvedic and Unani Colle Committee, Mysore, learn from certain local News Papers that the present Principal, Dr. A.Sitharama Sastry M.B.B.S., and Ayurveda -- vidwan is ordered to be disturbed from the College early.

With due respect to the authorities, we wish to bring to yo kind notice that the present Principal, Dr. A.Sitharama Sastry has been taking much pains to improve the Institution and is working satisfactorily. He is qualified in both the Allopathic and Indigenous Systems of Medicine. With no untoward feelings against the Allopathic Doctors, we request you for permission to resolve that

i. For the Govt. Ayurvedic and Unani College and Hospitals Mysore, it is absolutely necessary to have as its Principal, one qualified in the Indigenous system of Medicine invariably, preferably with a recognised Diploma of Degree in Allopathic System, also.

ii. In view of the above principle, the present Principal may not be disturbed at this stage.

iii. That the Committee may kindly be consulted in matters of transfer of such officials from this Institution &

iv. That needful references intimating the above resolutions to the higher authorities be made early.

We are fully aware of the various improvements done by Dr.Sastry during the last one year by creating facilities for practical training of the students of the College. We also know that he has been working satisfactorily and conscientiously. We feel strongly that it is not desirable in the interest of the Institution to transfer the present Principal well versed as he is in both the Systems of Medicine and to replace him by an officer who is not qualified in the Indigenous System of Medicine.

We therefore request you to kindly reconsider the orders passed and retain Dr.Sastry as the Principal of the College for which act of kindness we ever remain grateful.

FROM

To

His Highness the Maharaja of Mysore,

MYSORE.

SIR,

The news of the transfer of our Principal, Dr.A.Seshagiri Sastry, M.A. & L.M.&S., comes like an olap to us and we feel deprived of a great privilege and expert instruction under him. In him, Sir, we beg to state we had the purest combination of an experienced allopathic Doctor and a capable and wide-awake Ayurvedic Surgeon. In the whole of the Mysore Medical Department, he is of no second to him and it is clear as day light that the best fitted place for him is the Principalship of the Ayurvedic College, Mysore. Where in this century, it is too much - to expect the present generation of students to get their minds old, old- panditic method and leave the blind of the ages long kind of the Western medicine.

If a mere Ayurvedic Pandit on these reasons cannot be put to the place, do you think, Sir, that an L.M.S. and such a person trained in the only Allopathic way ignorant of the indigenous system can be of any use in an Ayurvedic College?

Our contact with the present Principal since he came to our College enlightened us a good lot and we feel that we have been given facilities for a proper training in the College. This is not it is just about a year that the present Principal came to the improvements and such other things to the department and plenty. He has won the admiration and love of the students and is really the only hope for the Ayurvedic Mysore Public.

Now, Sir, if he is transferred [illegible] middle of an ocean without [illegible] Pilot [illegible] disappointment to [illegible]

and career under his instructions.

Hence, we request you, sir, to kindly [illegible] Principal and allow us the privilege of [illegible] in the College under his kind care and guidance.

We beg to remain, Sir,

Students' Strike in Mysore

College Authorities' Attitude to Unani Section

(From our own Correspondent)

MYSORE, Mar. 16.

All the students of the Unani Section of the Government Ayurvedic and Unani College, Mysore, have been on strike for the last three days.

The students allege that the authorities of the institution do not attend to the interests of the Unani section, and that they have been asked to go through practical and clinical examinations, though they were not given any training in practical and clinical work during the college course. The college authorities, it is further alleged, have ignored the needs of the section, in respect of library facilities and other equipment.

ALLEGATIONS DENIED

The authorities of the College deny these allegations and state they are not in a position to equip the Unani Section with allopathic medicines as required by the staff and students of that Section. Taking into consideration the budget allotment for the College and the requirements of the institution, the college authorities maintain they are adequately attending to the needs of the institution.

The students of the Unani Section and their parents met at a mosque recently and resolved that the former should go on a strike as a protest.

They also resolved to address a memorial to the Government on the subject.

The strike was declared in accordance with the resolution of the meeting
